WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2021 Cabernet Sauvignon

Stags Leap, Napa Valley

TASTING NOTES

Aromas of ripe black cherry and notes of black olive, peppercorn and subtle earthy tones fill the glass. Vibrant acidity on the palate adds to the balanced mouthfeel of the wine. Flavors of Amarena cherry, blackberry and blueberry are prominent. The lengthy finish is lush and smooth.

SUGGESTED FOOD PAIRING

The concentrated richness and notable acidity make this wine a remarkable partner with food. We recommend hearty dishes like grilled steaks, mushroom dishes or lamb with herbs. This wine will easily hold up to strong cheeses such as aged Gorgonzola, aged sharp cheddar or Parmigiano Reggiano.
