2023 Sauvignon Blanc

Sonoma Coast

TASTING NOTES

Bright, flinty and crisp, this nose leads with notes of fresh lime, jasmine, and floral notes. With a balanced palate that expresses flavors of grapefruit, key lime pie and gooseberry, this complex wine has a lengthy, lush and fruity finish.

SUGGESTED FOOD PAIRING

This wine is a great match for a variety of food pairings like chèvre, oysters, and is beautifully matched with anything using fresh herbs like tarragon or mint. This refreshing sauvignon blanc is also delicious on its own as an apéritif à la maison (aperitif at home).
